Standard and optional equipment available may vary for individual markets. Please enquire at your dealers, as specifications and illustrations may refer to models not available in your region. SUZUKI MOTOR CORPORATION reserves the right to change, without notice, prices, colours, materials, equipment, specifications and models, and also to discontinue models.

All photographs in this leaflet were taken with relevant permission. Images of the vehicles without number plates on public roads are composite photos.

**Touring screen** 94600-10830-000

Clear type wind screen with better wind protection due to 38 mm higher screen than original one. The shape of the wind screen is carefully designed to consider the whole shape of the bike, and this leads to keep the original image of the bike. Hayabusa logo is put on the sporty graphic of the wind screen which makes you feel ownership of this bike.

\*Including screen cover.

**Single seat cowl** 45500-10800-xxx

It expresses the integrated feeling with the rider by appealing the silhouette of streamlined shape from front to rear, which is one of the identity of Hayabusa. Available in the following color codes: Black / Gold (B5L), Matt Silver / Red (B5M), White / Matt blue (B5N).

\*Photo shows single seat cowl for unit color of B5L (Black / gold)

**Color seat** 45100-10L50-B5P

Grippy seat surface. Red double stitch, and Hayabusa logo on the surface of seat leads to show you better quality and makes the owner satisfy.

**Carbon look mirror cover** 99134-10L00-000

The mirror cover with carbon pattern design which makes the bike luxury look.

\*Set of right and left side.

**Hayabusa slip-on muffler by Akrapovič** 99190-10L00-000

The titanium body muffler with carbon heat shield, which creates pleasant exhaust sound. Around 4 kg lighter and 1.9 kw higher (At 8,400 rpm) compared to the original equipment. The product is developed collaborating with famous manufacturer Akrapovič. Both Hayabusa and Akrapovič logos are printed on muffler body.

\*Available at EU market only. The accessory obtains EC - type approval, and photo shows the image of the accessory with its approval to install the bike. Spec data is based on the test by Akrapovič.
